Web Hosting with Words Connect

Basic Plan

The Words Connect Web Hosting plan provides you with reliable and easy web site hosting at a reasonable price. You get a secure, stable, and dependable place to host your web site, and each account comes with email services.

With the Words Connect hosting service, you can:

- Sign up for a domain (yourcompanyname.com) or move your existing domain to our service
- Upload your web site files (HTML pages, images, and supporting files)
- Set up email addresses using your domain name
- Check email using our web-based mail program or using your own email program (POP3 mail)
- Set up "email forwarding" accounts that automatically forward mail to your existing email addresses

What's Included with the Hosting Account?

Our basic web hosting plan includes:

- No banner ads or popup ads
- Unlimited email addresses (john@yourcompany.com) and email forwarding
- Web-based email you can use from anywhere
- 100 MB storage space
- 1.5 GB/month transfer for uploading and downloading files
- Site statistics
- Unlimited FTP access
- Message boards, chat servers, and many more options

Please contact us for specific information on the technologies our servers support.

Words Connect will bill you directly for the upcoming quarter. Payment is by check, and payments more than 15 days late are subject to a late fee of $25.

What About Support?

Words Connect provides a helpful online reference section with instructions on how to set up and manage your web site and email. We also provide email support for web hosting questions.

Webmaster and Design Services

If you don't have the time or technical expertise to learn how to create and manage a web site, we can provide that expertise for you. We can:

- Help you pick and register your domain
- Design the web site for you
- Write or edit your web site copy
- Help you load your files to the web
- Set up email addresses and email forwarding
- Provide ongoing maintenance to update your site as your company and your content grows

Webmaster and design services are available for a monthly service fee or at an hourly rate. Contact webmaster@wordsconnect.com.

Terms and Conditions

Storage and Transfer Limitations

Each Basic account includes a generous amount of storage space and transfer capacity.

If your web site exceeds these capacity limitations, your account will be charged a reasonable fee. You can set up automatic notifications using your account Control Panel to ensure that you are notified before you exceed these limits.

Content Limitations

Words Connect does not allow using its web hosting services to post any of the following:

- Hate Material
- Spam
- Pornographic Material
- Online Casinos/Gambling
- Warez (pirated software)
- Extremely large downloads or other activity that place a drain on system resources

If Words Connect discovers that any of the above is occurring on our hosted sites, we will terminate the account immediately.

Liability

Words Connect and its service partners are not responsible for any loss of data. It is your responsibility to archive your web site.

Each web hosting account comes with a web site archive tool built into the Control Panel, as well as a web site backup wizard.

Privacy

Words Connect and its service partners may gather contact information (name, email address and postal address) from you to set up and maintain your account. This information is used internally and is never resold or reused in any way.

Security

The hosting server has security measures in place to protect the loss, misuse, and alteration of the information under our control. Some measures include: SSL, password protection and other methods.
